 year's profit!

Okay, just a few contingencies:

- 1 The WFC representative will be permitted to kick off the sale at an assembly with all potential sellers in attendance.
- 2 The WFC representative will be permitted to promote the sale through parent letters and signage.
- 3 The organization will use a prize program that will be designed and executed in conjunction with the WFC representative.
- 4 The number of potential participants will be the same this year as it was last year.
- 5 The organization will have daily announcements promoting the sale.
- 6 The fundraiser will not be run in conjunction with or following any other fundraising program.
- 7 Any changes or delays in the terms above will void the guarantee.
- 8 The Organization's practices, policies, and procedures have not been impacted by COVID-19 compared to the previous fundraiser.

Now, the only thing missing from this sweet little deal is your signature.
